For professional use only. This material is provided for informational purposes only and is not investment advice, a recommendation, or an offer or solicitation to buy or sell any security or to enter into any securities lending transaction. The figures shown are hypothetical and illustrative. They assume €10,000 invested in the security shown - one of the five highest-earning securities in our pool over the full 12-month period shown (30 June 2025 to 30 June 2026) - held and lent for the entire period. Lending income is shown gross, before fee splits, and reflects fees paid by borrowers; income received by the investor would be lower. This is a case study and is not representative of all lendable securities, of any portfolio, or of typical or expected results, and is not a forecast. Past performance is not indicative of future results. Share prices can fall as well as rise. Securities lending rates and borrowing demand fluctuate.
