# Velox Clearing choose Sharegain to launch fully paid securities lending

**New York, October 8, 2026: –** Velox Clearing ("Velox"), a self-clearing, technology-forward firm has chosen Sharegain, the global leader in securities lending for retail-facing financial institutions, as lending agent for its planned fully paid securities lending (FPSL) program.

Sharegain's end-to-end solution will enable Velox to offer FPSL programs to its global broker-dealer, institutional, RIA, and family office clients. The program will open new revenue streams for those clients and give their underlying investors the opportunity to earn passive income on assets they already hold.

**Zhenxing Tang, CEO of Velox, said:** "At Velox, we're focused on driving financial growth, trust and accessibility for institutions and investors worldwide. Fully paid lending is a clear opportunity to do that, and Sharegain's best-in-class solution enables us to bring it to market without the cost and complexity of building it in-house."

**Reisa Asimovic, CEO of Sharegain US, added:** "We're excited to partner with the team at Velox. Together, we're making it simple to launch FPSL programs
